

VOYAGER SURROUND 80 UC

BENEFITS

- Immerse yourself with rich, clear audio for calls and music. Sound your best with 6 boomless mics plus 4 more to support adaptive ANC.
- You'll forget you're wearing a headset with the sleek design and ultra-soft ear cups. Experience long-lasting comfort while you focus on work.
- Boost your productivity with the headset designed to work as hard as you do. And power through your calls with up to 21 hours of talk time.

DESIGNED FOR THE WAY YOU WORK

Work where you want and sound your best with the over-ear, boomless Voyager Surround 80 UC Bluetooth® headset. Immerse yourself in rich audio, stay in complete comfort with soft ear cushions and an adjustable headband, and keep focused with adaptive Active Noise Cancellation (ANC).

- Adaptive ANC and over-the-ear design.
- 6 microphones for clear transmit audio.
- Up to 21 hours of talk time or up to 10 hours of talk time with 15-minute fast charge.
- Intuitive touch controls for calls and music with a dedicated mute button.
- Deploy from anywhere with Poly Lens cloud-based device management software.
