

A black Plantronics Blackwire 500 Series headset is shown against a dark blue background. The headset features a perforated headband, a microphone boom, and two earcups. One earcup is shown from the front, highlighting its perforated surface, while the other is shown from the back, revealing the driver and the Plantronics logo. The text "Smart Sensor™ technology" is positioned to the left of the headset, and "Hi-fi stereo sound" is positioned to the right. The headset is reflected on a dark surface below it.

Corded reliability that's ready when you are

**Blackwire® 500 Series**

Premium audio, all-day comfort and intuitive call management.

# Blackwire® 500 Series

The Blackwire® 500 Series corded USB headsets with Smart Sensor technology intuitively help you manage PC calls – simply put the headset on to answer a call and you'll hear every word thanks to its premium wideband audio quality. And with ultra-soft leatherette ear cushions and a lightweight headband, you'll enjoy all-day comfort and a secure fit. When work takes you on-the-go, simply fold the ear cushions flat, and store in the included carrying case. Durable and portable, the Blackwire® 500 Series offers all-day comfort for juggling PC calls and multi-media – providing corded reliability that's ready when you are.

## INNOVATIVE, USER-FRIENDLY DESIGN

- Smart Sensor technology lets you answer a call by simply putting on the headset
- One-touch call answer/end, vol +/-, and mute
- Inline indicator lights and user friendly audio alerts the user to connection, mute and volume status

## PREMIUM PC AUDIO

- Dynamic EQ automatically adjusts audio settings between voice calls and music
- Enjoy hi-fi stereo sound (C520) for unmatched audio clarity when listening to multi-media
- PC wideband audio with noise-canceling microphones for high-quality PC telephony
- Digital Signal Processing (DSP) provides natural voice sound

## INCLUDED ACCESSORIES

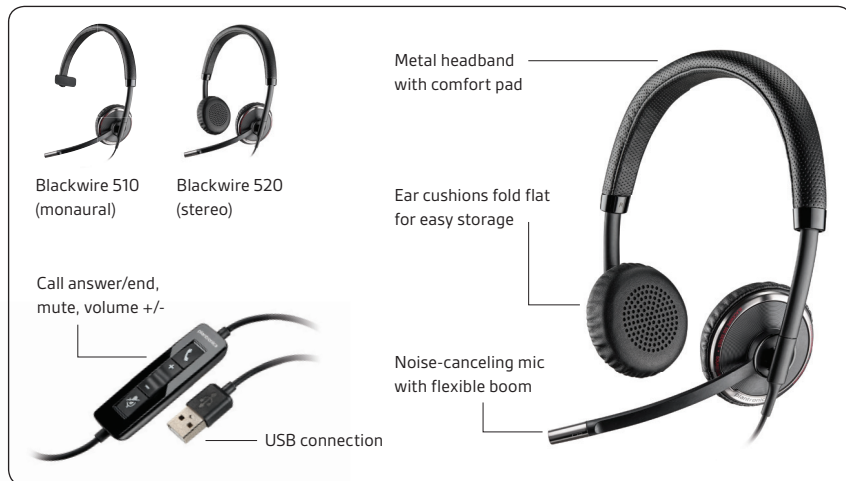

- Carrying case for easy storage and portability

## GLOBAL CUSTOMER CARE
